**RIGHT OF ACCESS TO METERS**

The utility has the right to access to the customer's premises at all reasonable times for the purpose of installing, reading, inspecting, repairing or removing any meter, device or other equipment used in connection with providing electric, water or sewage service.

**TERMS OF PAYMENT**

The bill for electric, water or sewage service constitutes the sum of any fixed charge, plus billing for amount used or minimum billing. Payments are due on the date specified on the bill. The customer may be given a written disconnect notice for a past due bill 20 days after the bill is issued and unless payment or satisfactory arrangement for payment is made within the next 8 days, service may be disconnected pursuant to Chapter PSC 113 and 185 of the Wis. Adm. Code.

If service is disconnected for non-payment of bill, a reconnection charge will be added to the service billing. When deferred payment arrangements are requested, such must be in written form. Verbal arrangements are not acceptable.

Reconnection Charge:	<u>During Normal Business Hours</u>	<u>After Normal Business Hours</u>
Reconnection of electric service	\$45.00	\$90.00
Reinstallation of water meter	40.00	80.00

Late Payment Charge: A charge of one percent per month will be added to bills not paid within 20 days from date of issuance.

If payment is made by check and the check is returned by the financial institution marked: "NO ACCOUNT, ACCOUNT CLOSED, or INSUFFICIENT FUNDS", an additional charge of \$25.00 will be added to the service billing.
