#### **SEC. 11-2-17 SEXUAL OFFENDER RESTRICTIONS.**

(a) **Findings and Intent.**

(1) This ordinance is a regulatory measure aimed at protecting the health and safety of children in the City of Plymouth from the risk that sexual offenders convicted of an offense against a child may re-offend in locations close to where children congregate. Given the high rate of recidivism for sexual offenders and that reducing opportunity and temptation is important to minimizing the risk of re-offense, there is a need to protect children where they congregate or play in public places. Therefore, the City finds and declares that sexual offenders are a serious threat to the public safety of children if regulatory measures are not in place that prohibit their presence in specified areas designated as places children commonly congregate. The City of Plymouth finds and declares that in addition to schools and daycare centers, children congregate or play at child-oriented facilities such as parks and playgrounds.

(2) It is not the intent of this ordinance to impose a criminal penalty but rather to serve the City's compelling interest to promote, protect, and improve the health, safety, and welfare of the children of the City by prohibiting convicted sexual offenders from residing, loitering, or being present in specified areas around locations where children regularly congregate in concentrated numbers. It is the further intent of this ordinance to recognize that convicted sexual offenders must reenter the community, and the City of Plymouth hereby accepts that it has a responsibility to convicted sexual offenders and the surrounding area municipalities to ensure that, in addition to promoting regulatory measures aimed at protecting children, its regulatory measures are not aimed at prohibiting convicted sexual offenders from being part of this society.

(3) Any resident seeking information on the location of a convicted sexual offender's residence may access the Wisconsin Sex Offender Registry online. The current website address is available from the City of Plymouth Police Department. The Registry provides valuable information on how to protect against acts of sexual violence.
